Transport

AIR TRANSPORT

Václav Havel Airport Prague, Czech Republic from Terminal 1/2 goes **bus AE** to **Praha hl. n.** (metro line C). You have to change to metro to get to **Florenc** station – transfer to metro line B - and then take the metro to station **Křižíkova**.

Other option how to get from the airport straight to the **Rohanské nábřeží** is to take **public bus n. 119** (goes from both Terminals- in front of Arrival halls) that goes to metro station **Nádraží Veleslavín** (metro line A), take a metro to **Můstek (transfer to metro line B)** and take the metro to the metro station **Křižíkova**.

METRO TRANSPORT

The best way to transport the Rohanské nábřeží. No problem on the track on foot from Metro "B" **Křižíkova or Invalidovna**. From both metro stations is same distance (about 5 minutes). For better orientation view map of the race. We recommend not to arrive by car because parking options is not good in Rohanské nábřeží.

TRAIN TRANSPORT

Hlavní nádraží PRAGUE from metro C station **Hlavní nádraží** to station **Florenc** then you must transfer to metro B and by metro B go to station **Křižíkova**.
